Office Memorandum • UNITED STATES GOVERNMENT

TO : SAC NEW YORK (NY 100 - 107111 -Sub G)

DATE: May 28, 1957

FROM : SA PHILIP H. SHERIDAN, Sect 7-2.

SUBJECT: NATIONAL COMMITTEE TO SECURE JUSTICE
FOR MORTON SOBELL
(MISCELLANEOUS CLUBS - NEW YORK AREA)
IS C

Recent activity of subject committee has been reflected in the formation of several small neighborhood clubs which have for their main purpose the running of small neighborhood affairs in order to raise money for captioned organization. These small neighborhood clubs, according to information furnished by informants, do not have membership lists and are chiefly non-membership organizations of a loosely designated leadership. These organizations seemingly spring into existence under one leadership and run a fund raising affair and then die out to spring up again under the same designation but with a different leadership and to run another affair.

In view of the increasing activity of these small groups, for example the "Brooklyn Sobell Committee" and "The Lower East Side Sobell Committee", a separate Sub file is being added to captioned organization-file in order to handle all such groups. This Subfile is being designated Sub file G - MISCELLANEOUS CLUBS (NEW YORK AREA)

The affair at HOMAN'S consisted of the playing of records, dancing, songs by an unknown woman, and a film regarding MORTON SOBELL.

One of the individuals in attendance was described by [redacted] as the operator of a 1950 or so, black two door Ford, bearing 1957 NY license 1Y 6723.

MEMO
NY 100-107111-Sub G

The party attracted more men than women. As a matter of fact women were at a premium. Most of the men were in their late twenties and up and most of the women were in their early thirties and up. There were about 10 mixed couples in attendance - negro man and a white woman. About twenty well dressed negroes were in attendance. There was much inter-racial dancing and petting. Most of the negroes left the party with a white woman.

The talk during the party was a mixture of politics, art, and the theater. It was definitely a village crowd or a village dominated crowd.

[REDACTED] b1

During conversation during the night a young man (33 years old), Arthur Saha of Finnish descent stated that he was a member of the Communist Party for three years. He did not mention then why he got out but hinted at it during later conversation that he was dismissed from the Communist Party. Saha is white, about 5 ft 11, 165 lbs (he lost 30 lbs in the last few months) male, wears glasses, has a soft voice, brown hair, with clean cut features.

"Report on a city wide meeting held by the Sobell Committee at their office, 940 Broadway on Wednesday evening July 17, 1957. About 18 people were in attendance.
[REDACTED]
[REDACTED]
[REDACTED] b7d

"The meeting was in the form of a report from the various representatives from different points of New York. Ways and methods to disseminate the Amicus briefs was the chief topic of discussion. Suggestions were offered as to how more people could be approached to sign and pledge money for the brief. It was decided to have at least two members of the Committee at the office every evening so that telephone calls can be made to those on the mailing list. Also volunteers are required to stuff envelopes and do mailings. A few present stated they could come in the afternoon to do this work.

"A suggestion to hold a party to push the brief was voted down temporarily by the committee. All agreed a party would be an attraction but the work involved would detract from the efforts to get the brief signed. A suggestion was put forth by Sarah Hammond. She reported a summer resort offered to hold a picnic or dinner for the Sobell Committee. The camp wanted no advertisement given the affair nor more than 100 people to attend. This suggestion was voted down by the Committee. It was then decided to put off plans for a party until after the Court deadline is met for the presentation of the brief.

A half hour discussion then ensued concerning assistance that could be given the Committee by outside sources, clubs, organizations, etc. Aaron suggested that a committee be formed to contact labor unions for support. He thought there were many around the New York area that would give support especially in light of the recent Supreme Court decisions. This suggestion was debated pro and con and it was decided to try T work at this angle from the office. Many of the more Progressive unions will be contacted by mail from the office and will be asked to write a brief for the case.

NY 100-107111-Sub G

"Another discussion followed on news release to the "outside" press. Ted mentioned this would be expensive and also that many of the newspapers would not print the story. The Committee has secured an add in the National Guardian newspaper and in conjunction the Guardian is going to run a full page story on the case.

"It was finally decided by the Committee to increase the pace in distributing briefs so that the goal of 7,000 to 8,000 can be reached. All attending made promises to see people or speak at neighborhood clubs in an effort to arouse support. The meeting closed at about 10:45 PM with many taking extra briefs and publicity on the case."

Report on a party held by the East Side Sobell Committee Saturday evening, October 26, 1957 at 601 West 113 Street, apartment 4H. The apartment belonged to Lucille (not certain of last name but the name of Lucille Banta and Jo Ann White were noted on correspondence by the telephone desk. Lucille is white female, about 40 yrs old, 5 ft 3in, 120 lbs, brown hair). The planning for the party was incomplete and caused considerable confusion. The invitations were erroneous and the add in the National Guardian newspaper listed the wrong address.

All in all about 125 people were in attendance at one time or another during the night.

[REDACTED] An admission charge of \$1.25 was collected at the door.

[REDACTED]

During the party a pitch was made by Margaret (white, female, about 55 yrs old, 5 ft 4 in, 140 lbs, brownish grey hair) a member of the N.Y. City Sobell committee. The response was good and about sixty dollars was collected. The pitch was made about 11:30 P.M. and Margaret left a few minutes after.

[REDACTED]

The party was considered a success considering the circumstances under which it developed.

FROM : SA PHILIP H. SHERIDAN, Sect 7-2

On 12/14/57, a dinner was held in honor of BEN and JENNIE RATHER at 8:30 PM at the Hungarian House, 2141 Southern Boulevard, Bronx New York City. Proceeds from the sale of tickets at \$2.50 per reservation were to be donated to the Morton Sobell Defense.

A physical surveillance was instituted on the premises of the Hungarian House by SAs JAMES J. KERIN, HENRY E. NAEMLE, ANTHONY E. CONSTANTINO and PHILIP H. SHERIDAN on 12/14/57 from 6:15 PM to approximately 11:30 PM. Approximately 250 persons attended this dinner, most of whom seemed to be elderly couples who were well acquainted with each other and all entered bearing packages wrapped in gaily colored paper. Observance of the events inside the hall was extremely limited but to all appearances the affair consisted of a dinner followed by a few short speeches and most of the evening was devoted to dancing. Due to extremely poor lighting and in order to avoid any chance of embarrassment to the Bureau photographs were not taken.

Report of a welcoming home party for Helen Sobell and a New York Committee meeting of the Sobell Committee at the apartment of Ted Jacobs, 101 West 85th Street, N.Y. The apartment is listed under the name of Wolf. About thirty five people were in attendance.

The meeting began at about 10:15 PM. Emily asked for attention and then began to talk about the latest plans for the Sobell Committee. She stated that the present plans are the result of the National Committee meeting and the sub meetings that took place after it. The mass campaign will officially begin in late April. In the mean time the Sobell Committee hopes to have many thousands to begin with, so that at the official opening of the campaign a letter can be sent to the President stating the intention of getting one million signatures to show popular approval for the release of Sobell. There will be a series of dinners commencing in Los Angeles that will continue until the final dinner will be held in N.Y. in late April or Early May. The purpose of these dinners is to highlight the successes of the campaign as the early signatures are forwarded to N.Y.

69

NY 100-107111

The N.Y. dinner will be planned for 1000 people at \$10.00 a plate. The Hotel has not been chosen as yet. Emily mentioned that Sputnik has greatly changed the case. People are now beginning to realize that Sobell might not have been guilty and that an injustice was perpetrated. The recent statements by Greenglass & Gold in that they think Rosenberg gave the sputnik secrets to Russia is making people realize these men are pathological liars. All of these trends can be utilized to get people thinking about the case. Emily mentioned that she had worked with the case for years and today finds the confidence of the Committee at a high point. Emily stated that efforts will be made to have Sobell removed from Alcatraz by advocating the discontinuance of that prison. She stated Congress was written on this subject. The N.Y. office has thus far printed 25,000 newspapers for distribution. N.Y. has supplied the other parts of the country with copies but will not have the money to do so in the future. Orders are in with the printers for thousands more copies. The money that Ben and Jennie gathered in the Bronx went to pay for the newspaper.

Ted Jacobs then spoke for a few minutes about the favorable press which the Committee was receiving. He writes to all the main newspapers and sends them press releases concerning the case. Thus far a few mid-western papers around St. Paul and Minneapolis are supporting the case. As an example of the friendship & respect which Ted Jacobs has the public relations director of the Justice Department, a former N.Y. Times man, answered very cordially Ted's letter to him congratulating him on his new job & giving a few more details on the case.

A newspaper in New Orleans which formerly was against the case came out for it recently. This in turn prompted an Unitarian Church to ask to have the movie showing and to order 100 pieces of literature. The night beat film showing Helen Sobell on T.V. is being distributed throughout the country and is supposedly winning new friends to the case.

NY 100-107111

Helen Sobell then spoke about the trip to San Francisco and a visit to her husband. She was accompanied by the two children. They flew both ways. She then read a letter from Morton Sobell which described his longing to know what life outside of a cell is like. She spoke a few more minutes about the new appeal and thanked all for assisting.

In the question and answer period that followed Aaron Katz was the first one to speak. He criticized Emily and Ted for trying to give the impression that the Sobell Committee had a favorable press behind them. Muriel then had about nine "suggestions" to offer which she thought if followed would release Sobell from prison. Emily openly congratulated Ben and Jennie for fine work. She hoped they would get at least 15,000 signatures. Ben has about 40 people in his group in the Bronx. Ben jokingly remarked that he wants to keep the money he collects next time so he can purchase literature on the case. Ben said the old A.L.P. (American Labor Party) people were a big help.

Myra Weiss then spoke. She said the Socialist Workers Party's newspaper will carry an article on the Sobell Case every week until the campaign is over. Weiss said she is a staff writer for the paper. She made notice of the Young Socialist Alliance, which she called the fastest growing youth group in the U.S. and said this group will support the Sobell Committee when they meet in Chicago a few weeks from now.

Dubois's talk was a boring one. It was general and more like a review of events from World War I to the present. His talk was read from a prepared paper and its

theme was the triumph of the Soviet over Capitalistic opposition. He mentioned the program instigated by capitalism to overthrow the Communists from the early twenties until the depression years. This depression gave rise to fascism under Hitler and Mussolini and lead to World War II. He ended his remark by a few statement on the negro people's struggle. He thought that negro newspapers do not present socialism to the negro people and thus they have a more difficult time understanding it than most whites.

The question and answer period was mainly concerned with asking Dubois his opinion on this or that aspect of negro life in the U. S. and in other areas of the world. Dubois stated that he thinks only Socialism has the answer. It is the only way to solve the world's problem. All the primitive countries must adopt socialism if they hope to begin to modernize themselves. He spoke about Ghana and Libya in this regard. Dubois thinks that the negro people will make little gain by following the programs or policies of the two major political parties in the U. S. He thinks a third party is necessary and essential if the negro is to make substantial gains.

The lecture began at 8:35 and was over by 9:30. Collins added a few remarks and asked anyone to stay who wants to discuss further. Collins made mention of the literature in the back of the room. Most of it were works by Dubois and Aptheker. Political Affairs and a new pamphlet "The South's New Challenge" by National Committee Communist Party member James Jackson was mentioned by Collins as must reading.

Most of the people left the hall after Collins' remarks. About twenty people stayed for future discussion. A fee of one dollar was collected as a "contribution" to the forum.

1-Supervisor J.F. HIGGINS

NY 100-26603-C43

NY 2256-S* furnished the following information on 3/24/58:

DANIEL RUEBEL stated that they had held a Section Organizers meeting two weeks ago Saturday from 12 noon to 4:00 p.m. and another last Saturday.

RUEBEL stated that SAMMY (SEFF) would not be there that night.

RUEBEL opened the meeting which he characterized as a meeting of the Brooklyn CP County Committee.

HARRY ONCHER was elected chairman.

ONCHER announced that the agenda for the meeting would include: (1) A Report by Comrade JAMES JACKSON, (2) A Discussion on this report, and (3) Good and Welfare.

JAMES JACKSON spoke on the recent meeting of the National Committee, CP, USA.

JACKSON stated that the result was the advent of greater things to come in the CP in the way of bringing the Party closer to the masses and democratizing the Party inasmuch as it had brought to an end the power struggle among the leaders of the Party.

JACKSON denounced the Right-revisionists in the CP under the leadership of JOHN GATES and pointed out that they had attempted to gain control of the CP at a recent National Administrative Committee meeting, but had failed.

JACKSON stated that the Right-revisionists had misconstrued the intent of the Resolutions of the 16th

NY 100-26603-C43

National Convention of the CP, USA, and were confused in their thinking concerning: (1) The right of the minority in the CP to disagree, and (2) The right of the CP, USA, to exercise independence of the Soviet Union by dissenting from policy set for international communism.

JACKSON stated that the current issue of "Political Affairs" contained an authoritative and official definition of the objectives of the resolutions passed by the 16th National Convention.

JACKSON pointed out that the main danger was the one which most and immediately threatened the life of the CP - which is the Right-revisionist danger.

JACKSON stated that the CP was a permanent organization, with a single ideology based on Marxist-Leninist principles and having a vanguard role - to furnish leadership to the masses.

JACKSON stated that the National Committee had eliminated the Right-revisionist threat to the CP and had elected new leadership.

JACKSON pointed out that a new National Executive Committee was created, to be composed of fifteen members. He added that nine members had been elected at the National Committee meeting, from which number various positions of leadership were chosen.

NY 100-26503-043

JACKSON concluded by stating that as a result, the party was already showing signs of revitalizing itself in Illinois, Michigan, Minnesota, Texas and California.

An unsub female spoke but was inaudible.

LENNIE RUBINSTEIN spoke and stated that he was happy to hear of the developments in the National Committee, but urged more positive political activity both in Party activity and mass activity.

EMIL SHAW spoke. He stated that now the haggling was over and that it was time to start fighting for civil rights, a cessation to H and A-bomb testing, etc.

SHAW stated that in his section (Coney Island) they were mobilizing the Comrades to become active in P.T.A. work and also in other mass organizations.

An unsub male spoke and he also characterized the meeting as a meeting of the CP County Committee in Brooklyn. He urged the Comrades to lead the people in Brooklyn on all local issues in the coming election campaigns as well as distributing newsletters and pamphlets.

TOM MEYERSCOUGH spoke. He expressed his gratification at the results of the recent National Committee meeting. He announced that there would be a peace meeting held at the Livingston Manor on April 14th (1958), three weeks from that same night, and urged all the comrades to attend and to invite all of their friends and acquaintances.

NY 100-26603-C43

MEYERSCOUGH stated that the National Committee of the Peace Committee was in New York City and that so far the various peace committees are operating independently and that no attempt has been made to unify them.

He stated that his peace committee has conducted a forum and that he has made available to the CP a list of names of people who were active in the peace campaign and that they could be contacted and used to advantage.

ANNIE FRIEDLANDER spoke. She stated that in her opinion, in the past several years the rank and file have been confused by the actions of the National Committee. She urged that the National Committee clear the situation by pin-pointing the blame on the Right-revisionists.

HARRY ONCHER spoke. He stated that the period of the danger of the "Big Lie" and the period of the danger of such people as that "political ELVIS PRESLEY", JOHN GATES, was over.

IRVING APPLEBAUM spoke. He criticized the report of EUGENE DENNIS, because it pointed to the left danger as the main danger to the CP.

GWEN HALL spoke. She vehemently maintained that the anti-party elements in the CP be expelled therefrom right away.

CHARLES LOMAN spoke. He endorsed JACKSON's views.

NY 100-25603-C43

He stated that he was well aware that all was not as it might be in the CP, but that the Left was making big gains against the Right-revisionists all over the country.

LOMAN announced that next in order was to start a period of re-education and that meant from top to bottom.

JAMES JACKSON spoke again and stated that the CP currently has a Marxist policy and that the Party would demand unswerving loyalty. He stated that the Party would no longer allow disruption whether it be precipitated by the Right-revisionists or "Leftists vandals."

CHARLES LOMAN spoke again. He urged caution in approaching any harsh criticism of the leftist elements, especially if there was any thought of expulsion from the party for holding onto an extreme leftist line.

DANIEL RUEBEL announced the peace committee would meet (on 4/14/58) at the Livingston Mannor, which holds 1100 people. He urged the comrades to help fill this place.

He also announced that lists of people who signed peace petitions are available to all the Section Organizers for their use.

He stated also that a May Day celebration would be held on May 1st (1958) at Carnegie Hall.

RUEBEL announced that a meeting of Section Organizers and Organizational Secretaries would be held "a week from this coming Tuesday" (referring either to

NY 100-26603-C43

April 1st or April 8th, 1958). He added that the Section Organizers should see him after the meeting for the details. He added that the meeting would be from 12 noon to 3:00 p.m.

RUEEL also announced that a meeting of the Brownsville Sobell Committee would be held at the Sunrise Center on April 30th (1958).

ALLAN LAWS spoke. He urged that the comrades and Party go slow in thinking of expelling any of the extreme left-wing comrades.

CHARLES LOMAN stated that the date of the next County Committee meeting would be announced at the Section Organizers meeting.

HARRY ONCHER adjourned the meeting at 11:15 p.m.

She states that she will be working there this week as well as all of next week except for Monday. She does quite a bit of canvassing for the committee and is also in charge of sending out correspondence for the Bronx Civil Liberties Committee.

Mr. Meyer is in charge of the financial committee of this organization and has been so since its inception. He made the statement that the Committee is in the red by a small amount of money, amount not mentioned.

Bella Altschuler made the statement that it was through the efforts of their organization not necessarily their particular committee that six Communists had been released as the result of a State Appeal. Two of the names were Trachtenberg and Fine. Mrs. Altschuler invited everyone to attend a Sobel Party at 214 Beach Street Far Rockaway on August 16th. Altschuler also reported on a trip that she Joe "Palatcheko," Charles Henleck, and a woman had taken to Washington where they visited Justices of the Supreme Court Douglas. She stated that they had been ushered into his private chambers where they had presented him with a book which, she stated he was very grateful to receive and placed it in his collection.

NY 100-118525

A member name not known stated that he had been able to collect fifteen dollars which he turned over to Polatcheko. After this a collection was taken which grossed twenty one dollars. The same person who had contributed the fifteen dollars then stated that he was familiar with a case of a person who is presently confined in Alcatraz for about 40 years, in solitary confinement for the passion murder of a woman in Alaska. His name is Robert Stroude and while he spent his time in solitary confinement he became a past master in the research of insect and animal diseases which he had time to experiment with during his 40 years of solitary. The speaker also stated that he has written a book about the American penal institution which has not been brought to the eye of the public because of its sordid revelations. He further stated that the reason this person has not been released is due to the fact that the politicians and judges who were responsible for his incarceration would not permit it. The speaker concluded by saying that the man has a book, a paper back book in the bookstores called "the Birdman of Alcatraz". He encouraged everyone to buy the book. The audience was very much interested in what he said about Stroude and were very willing to buy the book if the speaker brought the books around himself to be sold.

It seems from what Mrs. Altschuler stated that there are not too many of these organizations in the city. This particular committee is located in the East Bronx and a number of members Frieda, Jennie and Hilda who live in the West Bronx commute regularly to attend these meetings. Mrs. Altschuler stated that there is no such committee as this in Manhattan but that she is interested in developing a person who lives in Manhattan so that he would eventually begin a committee in Manhattan.

The next meeting of the Bronx Civil Liberties Committee will be on the 22nd of August but notification of the next meeting will be mailed out.

A fee of \$1.25 was collected at the Door and \$.50 was collected for drinks. The party was not a financial success. About 60 people were present in all. The rainy weather was the chief reason given by the Committee for the poor turnout. During the evening Margaret Blau made an appeal for funds. The pitch was unusually successful in that \$38.00 was collected from the 45 odd people present. This amount added to the admission fees came to a total of \$85.00 net profit. Because much of the food was left over, it was sold and brought in a few more dollars.

The meeting opened with an appeal by "Evis" L.N.U. (female, crippled right leg with cane, short.) (Hymie Goldstein told Sol Miller that she was on the State Committee of the Communist Party.) for funds in order to keep "our paper" functioning. She said that it was important to have "our paper" because it was the only paper giving the truth to the people. The collection for "The Worker" amounted to \$200.00.

William Patterson was the scheduled speaker. However, Jesus Colon arrived late and gave a talk. He talked mainly about the situation in Venezuela. His article in The Worker for August 3, 1958, is the essence of his talk

On 12-23-58 a section meeting of the Northeast Bronx Communist Party was held at 683 Allerton Avenue, Bronx, at 9:00 P.M. Among those present were [REDACTED]

At the door a slim Chinese fellow in the early twenties solicited signatures for a petition sponsored by the BCLC to abolish the House UnAmerican Committee. It was noticed on this petition the names of Jennie Moreau, Wanda Hartung, and Sarah Weissman. Alberto Moreau was chairman for the evening. While waiting for the speaker of the evening, Joe North, he sold various pamphlets, "Political Affairs", and the Communist Manifesto. He also tried to sell the book by Joe North, "No Men are Strangers." Dora Ziebel sold tickets for The Man Who Died at the Jan Hus Theater. 67d

The addresses of Henry Winston and Gil Green were distributed to those who were interested in sending them Christmas Greetings. This was sponsored by Edna Nesin. Bella Halebkay was selling tickets for New Year's Eve for a party sponsored by the Bronx Committee for Sobel at 683 Allerton Avenue. Earl Robinson was to be one of the guests.

Moreau introduced Joe North Editor of the worker, whose topic was Berlin and the German crisis. He said that although the Western Powers were not unintelligent, they were paving the way for a third world war because they were rearming Western Germany, and allowing them to establish a large army, and also by not denazifying the country. West Germany had been given Permission by NATO to make nuclear weapons.

He said the Russian had made many proposals to bring about a better relationship between East and West Germany.

NY 100-26603-C1945

The most recent one was that Berlin be demilitarized, and that this would pave the way for the demilitarization and federation of all of Germany. But he said that this proposal like the others was not received in good faith.

He continued by saying that the West German Government had a lot of former nazis in it, especially judges. Big businesses that had helped Germany start 2 world wars were still in existence with the help of the capitalistic nations.

He said that although the usual outcome of the Capitalistic search for new markets and profits was war, it did not necessarily have to be because the people all over the world in the past few years have become very peace conscious. He said that the American people wanted peace, but that they had not organized themselves for it like in many other countries. However, he mentioned Cyrus Eaton who although he was a big industrialist was very much in favor of peace.

On Sunday, June 28, 1959, an All Nations Picnic sponsored by the American Committee for Protection of Foreign Born was held at Camp Midvale, New Jersey. The Bronx Sobell Committee and the Bronx Committee for a Sane Nuclear Policy also held picnics at Camp Midvale on this date. For the most part this was purely a social gathering; however, some program of speeches on behalf of the American Committee for Protection of Foreign Born, the Sobell Committee and the Committee for a Sane Nuclear Policy were probably made earlier in the day. The following people were among those observed at Camp Midvale:
